

Strange route from Scappoose to our door

Recently, Larry Marcott of Pearland, Texas donated five badges he purchased at the Pate Swap Meet in Fort Worth, Texas. How the four pins and Shrine patch once owned by Forrest Sanders of Scappoose made their way to Texas is open to speculation since the seller didn't remember where he found them. Marcott, who grew up in Scappoose, recognized the Sanders name engraved on the Scappoose Volunteer Fire Department pin and knew they needed to return to Columbia county. Known as "Stubbie," Forrest Sanders was also a Scappoose mayor as well as a firefighter. He and Governor Tom McCall lit the Peace Candle of the World in 1971. We appreciate Larry Marcott's efforts to preserve a little reminder of an earlier time and thank him for his generosity.

Open House Wednesday, October 14th

Please join us in the Museum from noon until 7:30 pm for a special exhibit of images and artifacts from early logging and railroad activities in Columbia County. Refreshments will be available throughout the day. An evening program about historic County logging and railroad operations will be presented by David Sprau, Railroad Historian.

Courthouse clock face

The CCMA is the fortunate recipient of a broken glass clock face originally installed in the north facing wall of the Courthouse clock tower. A new bezel is being fabricated for permanent installation in the stairwell leading to the Museum. It should be on display for the Open House.

The picture above is an inside view of one of the refurbished glass faces. Left is one portion of the face we will display in its current condition.
